You will then need to enter verification information:

A screenshot of a mobile application form titled "Customer Verification". The form contains five input fields: "Account Number" with a placeholder "Enter Account Number", "Account Type" with a dropdown menu showing "Select...", "Last 4 Digits of SSN/TIN", "Date Of Birth" with a placeholder "--/--/____", and "Zip Code". At the bottom of the form is a large orange button labeled "Verify". The form is enclosed in a grey border with a close button (an 'X' in a circle) in the top right corner.

Choose a verification delivery method:

A screenshot of a mobile application form titled "Please provide your token delivery method". The form contains two input fields: "Delivery Method" with a dropdown menu showing "Select:" and a red error message "This field is required" below it, and "Delivery Method Type" with a dropdown menu showing "Select...". At the bottom of the form is a large orange button labeled "Submit". The form is enclosed in a grey border with a close button (an 'X' in a circle) in the top right corner.

A verification code will be sent instantly.
Enter the verification code on the screen.

If you've requested your username, it will appear on the screen at this time.

If you've requested a password re-set, it will be completed at this time.
