Dear Customer,

Welcome to Midwest Heritage!

We are pleased to share that Iowa Savings Bank has officially joined Midwest Heritage. We are excited to welcome you and are committed to making this transition as seamless as possible.

Midwest Heritage has proudly served customers across the Midwest for more than 95 years. Originally established in 1930 as a community bank in Chariton, Iowa, we have grown into a full-service financial institution offering banking, lending, investment and insurance services.

As a subsidiary of Hy-Vee, Inc., we are supported by a trusted Midwest-based organization that shares our commitment to helpfulness, integrity, customer service and community involvement. This relationship allows us to combine the personal approach of a community-focused financial institution with the added strength, stability, and resources of a larger organization.

We recognize that these same values have long defined Iowa Savings Bank. Your bank's dedication to personalized service, community connection, and trusted relationships aligns closely with our culture, making this a natural fit for both organizations.

What this means for you:

- Your accounts and online banking will continue to function as they do today until our system conversion scheduled for **June 19-22, 2026**.
- There is no immediate action required on your part.
- You will continue to receive the same level of service from the team you know and trust, now backed by the expanded resources of Midwest Heritage.

As part of this transition, you will receive important information about upcoming enhancements, including updates to online and mobile banking, expanded services, and any changes that may affect your accounts. We will communicate proactively every step of the way.
